For assistance or a LIVE ONLINE DEMO call (916) 489-2886 or TOLL-FREE (866) TABS-SYS

Installing the AutoBiz Software Demo Link

1. Enter the link address into your Internet browser, or click on the link if you have received it by email.
2. Click on the **Run** button and wait for the program files to install.
3. Because you are downloading this program from the Internet, you will get a standard warning message. Bypass this by clicking the **Run** button.
4. Press the **Install AutoBiz Software** button.
5. Press the **Next** button, then check the box to agree to the licensing terms.
6. Press the **Next** button, then select either **TABS AutoBiz with Tire/Wheel Shop demo** or the **Service demo**.
7. Press the **Next** button 4 more times to start the installation.
8. When the installation is complete, press the **Close** button, then the **Finish** button. Your **TABS AutoBiz** demo is now ready to use.
9. Press the **AutoBiz Animated Tutorials** button. Click on the picture next to each description to view the tutorials. If you want to view tutorials again later, refer to number 3 in the "Tutorials" section at the bottom of this page.
10. When you double-click on the [TABS AutoBiz](#) icon on your desktop it will bring up the **Main Menu** screen of the system for you to try out.

Logging In

- Once you have installed the program, you'll have a full working demo available for 30 days. (If you are running on a Vista computer, please contact us at 866-822-7797, and we will be happy to personally assist you with any potential program setup issues.)
- Click on the small triangle by the word Login, and select Ben Norris.
- Since Ben doesn't have a password yet, just press the **Log In** button. Most of the buttons turn blue, indicating that Ben has the rights for everything but Setup/Entry. Because this is a Demo Version, you do not have access to the Setup functions.

Help Files

- Clicking the **Help** button with the blue  on an **orange** background in the upper right of any screen of TABS AutoBiz Software will activate the help files. (In purchased versions of TABS AutoBiz Software, these files are also printable in the form of an 8 ½ x 11 indexed manual that is over 150 pages.)
- Clicking on items in the left column of the **Help Files** Screen takes you to the related help files sections.
- Clicking on items in **maroon** in the right section of the **Help Files** Screen also takes you to related help files sections, or to more in-depth information on the subject.
- Clicking the button with the  in the upper right corner of this screen, or any screen of TABS AutoBiz Software closes the window, taking you back to the previous screen. Press the  now and you will be returned to the **Main Menu** Screen.

Tutorials

1. From the **Main Menu** Screen, click the **Sales/Entry** button to be transported to the **Start a Workorder/Quote** Screen. Press the **Help** button .
2. In the left column of the **Help Files** Screen, click on the **Sales Entry** title, then one of the four **Tutorial** titles beneath it to learn how to use TABS AutoBiz Software. We recommend printing these tutorials by using the printer icon at the top of the page, so you can easily follow along.
3. If you are connected to the Internet, you can also view animated tutorials by clicking on the **TABS AutoBiz logo** on the **Main Menu** Screen. On the **About TABS** Screen, press the **light blue** [On-Line Animated Tutorials](#) button, and click the website links to view the individual tutorials.

Enjoy your tour of the TABS AutoBiz Software System!
